

## Street Ministries

May 21, 2022 visit

We served a steady stream of people. We had visitors from Stella Maris, a drug rehab center down the street from St. Malachi's Parish. Linda served hot meals and pleasant conversation at the church. We gave away new underwear and socks, clean clothes, care packages and heavy-duty grocery bags. Most of all we felt blessed to be in service for the Lord.

If you want to get involved, contact Steve Huml - 330-414-5417 or Jim Marlow - 216-374-8369.

Our future dates are June 18, July 23, and Aug 20.
