Sept 24, 2022 visit

Brother Phil (center) stopped by for a visit and to thank us for our service to the community. On Friday before our visit Dick Porter dropped off a nice pair of lightly worn shoes. The shoes were gladly acquired by the gentleman on the left. We gave away new underwear and socks, clean clothes, care packages and heavy-duty grocery bags. They expressed an interest in warmer clothing and blankets. If you look in the back of your closet at that sweatshirt or jacket that needs a new home, we will gladly provide that new home.

If you want to get involved contact Steve Huml- 330-414-5417 or Jim Marlow-216-374-8369.

Our future dates are Oct 22, Nov18th, and Dec 23.
