March Highlight:

Katya made a friend (left picture) during our December visit. He had been unable to find size 15 shoes. Her father in law wears size 15 shoes and donated some shoes. They reconnected this visit and she was able to provide shoes and shower shoes. He'll be able to wear them when he showers at the shelter. He walks from E 39th street to W 25th for the meal everyday. Katya said he is so nice and wakes up with a smile because he is happy to be alive.
